

## Return to Class Guidelines

Kidderminster Baptist Church

### School Aged Classes

- \*Drop off and Pick up handing over to staff (or parents may stay in cars for ages 6+)
- \*Drop off - Gated entrance to the studio itself (next to the car park)
- \*Pick up -- from the garden area (enter via the gate in the carpark)
- \*During class please wait in your car or the back garden (or go home and come back for ages 6+)
- \*Parents are not permitted into the dance studio or to use the meeting rooms adjacent to the studio except at the teacher's discretion or with the principal's permission e.g to support SEN children (masks must be worn)
- \*Please maintain social distancing outside the venue and arrive/depart promptly to avoid mixing with other groups

### New Class Procedures

- \*Use the hand sanitiser before and after class
- \*Arrive changed and ready to dance (wherever possible)
- \*If you cannot tie your own shoes please arrive wearing them or put elastics in them
- \*Bring a bottle of water (no refreshments available)
- \*Only bring into class what you need and place it on your numbered 'home spot'.
- \*Then go to your numbered 'dance spot' on the dance floor - your spot is in the middle of a 2 metre squared box to help you to social distance.
- \*Limited places in classes to ensure plenty of room for social distancing (this is a requirement for classes aged 5+ and will be encouraged in all classes)
- \*No Bare feet allowed
- \*Acro Dancers need to bring their own mat to

### Pre-School Classes

- \*Maximum one adult per child to attend
- \*Please leave siblings at home where possible
- \*Smaller class sizes to support social distancing
- \*Under 5's are not expected to be able to social distance but they will be encouraged to and the curriculum will be adapted to support this (e.g no holding hands in a circle)
- \* Parent and Child classes will run as normal (you will have your own 2 x 2metre area to try and stick to as adults should be social distancing)
- \*Independent classes - please wait in cars/the garden area where possible. There is limited waiting space available inside for children who need extra support.

### Cleaning and Ventilation

- \*Regular cleaning of high contact touch points in all areas (including toilets) between classes
- \* Windows and doors kept open (weather permitting) to aid ventilation
- \*Supply hand sanitizer and encourage good respiratory hygiene
- \*Clean or quarantine props after each child has used them
- \*Some props such as the tunnel will be out of action for now
- \*All staff will complete Covid-19 Infection control courses and receive staff training on our new procedures

**Masks:** Masks are not required or recommended when taking part in exercise.

However as per government rules adults and children aged 11+ will be required to wear a mask inside the building **except** whilst exercising (e.g they can be removed during the actual class for those taking part).
